# Michael Gresham: Carlos The Ant (Michael Gresham Series)

## Synopsis

Carlos needs money. His daughter is dying and must have immediate medical attention. The insurance company has refused to pay. So Carlos gets money the old-fashioned way--he steals it. Soon, Carlos' crew has named him The Ant because he tears bank vaults out of banks and hauls them away just like an ant with a boulder. The money comes pouring in but then a new man joins the crew and everything tumbles downhill. Carlos calls Michael Gresham for help and the lawyer comes to his aid. But it is going to be the meanest case of Michael's career, as the prosecutor is a woman who means to jab the death needle in Carlos' arm and watch him die. And she has the legal chops to do just that. Full of bank robberies and courtroom action, this novel is sure to satisfy even the most ardent Michael Gresham fan as the trial lawyer walks into a courtroom where the toughest district attorney on the West Coast and the guiltiest client await him.
