# EMP Deadfall (Dark New World, Book 3) - An EMP Survival Story

## Synopsis

BOOK 3 OF THE DARK NEW WORLD SERIES  
Cassy and her Clan have made it alive to the promised oasis of her farm and prepare for the upcoming winter. But old enemies race to catch up to them and have a different plan in mind for the Clan. Meanwhile, resistance cells in New York face long odds, including betrayal from within and a tightening gauntlet from the invaders and their quislings. The 20s hint at a plot to level the playing field against the invaders, but their end-game is unclear. Will Ethanâ "the hacker known as Dark Ryderâ "uncover the truth in time, and if so will it make a difference? For the Clan, the Resistance, and Dark Ryder alike, a deadly trap awaitsâ \*\*\*For a limited time, you can get JJ Holden's latest unreleased short story for FREE - click here to find out more -> [jjholdenbooks.com/newsletter](http://jjholdenbooks.com/newsletter) (just copy and paste into your browser)\*\*\*

## Customer Reviews

Excellent addition to the series...this book brings a lot of issues to a satisfactory close...with a 4th

book to come...it moves along with expected victories for the "Clan" and then...BAM...they get taken down...hard to put down, but well worth the purchase and the read...can't wait for book 4...

Another great story of a world we could face if we don't educate ourselves and vote wisely. Wonderful characters living in a very scary world. Really want to live at The Clan farm. Permaculture is an amazing method of farming.

Fast moving. Really makes you stop and think. Are EMP's going to happen? It's a little gory but I think it's part of the possibilities that could happen. If you squeamish I don't recommend the book. If not, enjoy.

Well, folks, there won't be any reading of the fourth book in this series for me. Actually, three books was at least one book too many. When I read a book, I am first looking for some good entertainment. The last thing I am looking for is a book that spends a quarter of its pages preaching to me about God. If I want to hear from God, I will pick up my Bible and get it first hand. Second, as a woman, I really resent the fact that most post apocalyptic stories cast the female characters as so lacking in backbone that they are constantly looking for the male characters to take care of them and make all the hard decisions. These stories are always written by men who have obviously never heard of or believed the old adage that females are by far the deadlier of the species. (Just an aside, you authors could have left out everything regarding Taggart and his crew. Not only was it boring, but if it is your intention to weave him into the storyline with the Clan, you should have begun to do it one and a half books ago.)

The story mentioned grenades as part of their armament, yet it never says that the used them during the assault on the Clan. Had difficulty putting it down and go to bed at a decent time of night. haha

I have read all three books in this series and love them all. Can't wait for 4. Great story line and characters, keep up the good work
