Living In The Shade Of Islam: How To Live As A Muslim

Synopsis

The How to Live as a Muslim series is an essential guide for anyone who seeks to acquire an accurate knowledge of Islam, as it elucidates all the facets of Islam with precise brevity in three volumes: An Introduction to Islamic Faith and Thought, Living in the Shade of Islam, and Living the Ethics and Morality of Islam. This book covers in detail the other four pillars of Islam: the establishment of the five daily prayers, the prescribed purifying alms, observing the fast of Ramadan, and the pilgrimage to Makka. The volume also examines cleanliness, the issues of marriage and family life, the lawful, and the unlawful

Customer Reviews

I can safely say that this is an excellent book. While one may disagree with some of its teachings, and there are certain problems in interpretation, it is by far one of the best books in the English language. It is much kinder to the reader than Dr. Hamidullah's Introduction to Islam. My suggestion though is to read the first part of the series (found here:

<http://www..com/An-Introduction-Islamic-Faith-Thought/dp/1597842109>) before reading this. In any case, relatively speaking, this book is amazing. I specially recommend it to all non-Muslims for a

more precise understanding of Islam.

A very good source book. A must have...
