Six Covenants Of The Prophet Muhammad With The Christians Of His Time: The Primary Documents

Synopsis

It is a blessing, a warning, and a sign that these Six Covenants of the Prophet Muhammad with the Christians of His Time have resurfaced at this particular moment in history. Renewed by caliphs and sultans, supported by scores of fatwas, and accepted as law for nearly 1400 years, these documents were common knowledge to educated Muslims and Christians until the collapse of the Ottoman Empire, after which they virtually disappeared from collective consciousness. Their rediscovery will certainly open a new field in both Islamic Studies and interfaith relations. As the written words of the Prophet Muhammad himself, peace and blessings be upon him, and a central part of the Sunnah, they should sit side by side with the Qur'an in both mosque and home. If Muslims are ever to recover the reality of Islam and undergo a collective awakening, these covenants of hope will play a major part in that restoration. Those wishing to familiarize themselves with Dr. Morrow's exhaustive arguments supporting the authenticity of these Covenants should refer to *The Covenants of the Prophet Muhammad with the Christians of the World* (Angelico, 2013).

Book Information

Paperback: 76 pages

Publisher: Covenants Press (February 11, 2015)

Customer Reviews

These documents are genuine no doubt about it and what they show is the exact opposite of what a corrupt, biased and untruthful press is saying.. Namely that Muhammad adored Christians and these Edicts are proof of it. Just read them and you will see all the lies about Muhammad fully exposed as fraudulent and deliberate misinformation by some to get you to hate Islam. You read this and then you can see what kind of man Muhammad really was and what He really taught. He said anyone who mistreated the Christians He Himself would denounce as a liar and disown him as a

Muslim. And there's so much more you just have to read this to really know how kind and loving Muhammad truly was.

love it
