The Black Slate rides again, with Smoke and Sidney. More abnormalities making their appearance. SMOKE and Sidney face these evils, with the help of Mal. Very strange and exciting. Now Sid's sister Allison has decided to join the Drake Corporation(BAD)Megan, Allison's daughter will be without her mother. Very sad, some people should give great thoughts about giving birth. Sidney RESIGNS from FBI during this assignment..WHOOSH..heavy stuff. READ ^

I LOVED ALL THE BOOKS SO FAR...1-5. I HAVE READ THEM ALL AND WAS DISAPPOINTED THAT BOOK 5 ENDED..I WAS LOOKING FORWARD TO SMOKE AND SID..INTERACTING MORE... NOW IT'S WAIT AND GUESS WHAT IS NEXT..WANT THE OTHERS TO READ NOW..FEBRUARY SEEMS LIKE A LONG TIME OFF FOR THE NEXT ONE.

Fascinating! Engaging! I feel this is more fully developed as a wholly rounded story. I want to run a marathon, back talk my boss, and make out! So, I'm off to fill my need for more, book 4 here I come!

I like this series, but I am disappointed that the author does not write a better female character. Sidney needs to grow up!!!!!!!!!! How could she have been in a position with the FBI with no brains. And then her background says she is suppose to be smart and organized. I get that she is thrown by all this crazy, but when is she going to use some of the savvy she is suppose to have. And how is it that someone who can defeat monsters lets everyone else walk all over her????? Her character needs an overhaul and fast!!! Please make it better, it has such potential.

Another fun chapter in the Supernatural Bounty Hunter series. Okay, this one had a few typos (my pet peeve) but nothing that took away from the writing and nothing that made me throw up my hands in disgust. Sid and Smoke continued to develop as characters. The overall series plot is moving forward. I have a lot of questions about Smoke, but love how little tidbits are released, enough to satisfy while keeping me wanting more. I wish Sid would grow up a little faster, but she does keep evolving. As in the other books in the series, the action is fast paced and fun, and the writing remains tight.

Action, a little romance. This story has all that and more. It's a little bit like V I Worschowski and Riddick rolled into one. Love to see it in a movie. Can you just imagine the Hollywood creatures they would come up with? Wow!

Book 3 was as good as the first two.... Where is my book 4? Ha ha ha! I have it on my wish list lets go!

I really enjoy reading this series, love the female lead character, tough! It's fun to see the tension between her and the male lead, Smoke. There's action and great dialogue, highly recommended.
