Deadly Evidence (A Jessie Black Legal Thriller) (Jessie Black Legal Thrillers Book 3)

Synopsis

A school shooting. A city in mourning. A prosecutor out for justice. When a massacre at an elite private high school leaves seventeen dead and a city reeling with horror, Philadelphia assistant district attorney Jessica Black will stop at nothing to find justice for the victims. But doing so will require facing an adversary even more terrifying than the teenage shooter. The Internet can be as deadly as a gun. Lurking in secrecy is an evil voice known only as True_Man. True_Man haunts the Internet, befriendng the lonely and the frustrated, turning adolescent emotions toward destruction. Jessie believes True_Man is just as guilty of murder as the teenager he manipulated, but proving it "and bringing True_Man to justice" will take all of Jessie's formidable legal skills and more. Deadly Evidence is the third book in the Jessie Black Legal Thrillers series. If you enjoy suspense inside and outside the courtroom, compelling characters, and unpredictable twists and turns, you'll love the novels of Larry A. Winters. Buy Deadly Evidence to experience this exciting new legal thriller today! Customer Reviews

Deadly Evidence is another great book in the Jessie Black Legal Thriller series written by Larry A Winters. Jessie Black is a strong, confident, female prosecutor in Philadelphia. Deadly Evidence hands out another tough case to Jessie when a teenager goes on a killing spree at his elite private school. He targets the cheerleading squad – but what is his true motive? We quickly find out that his accomplice was pushing him and feeding off of the insecurities of a teenage boy, abandoned by his Mom, and dealing with his Father, whose priority seems to be his new love interest, and not his son. Jessie needs to find this accomplice, which isn't easy when they are hiding somewhere in the Internet. Larry A Winters brings suspense and twists in this book that kept me interested and turning the page. He adds characters to the story that help to develop the plot. Jessie's love interest Leary takes a bigger role in this story, but I'd be surprised if he stays very long in books #4 or #5. Jessie shows she is a successful, talented, smart woman who doesn't need the distraction or drama of a man. I liked the female character Graham who shows us the dynamics of Jessie working with other women, and trying to make a friend. In Deadly Evidence, Larry A. Winters has a good, easy to read writing style that is getting better in every book. He holds my attention, and gives enough detail that I can picture everything that is happening. There is plenty of action and characters in the story to keep the plot going at a steady pace. He doesn't include a lot of fluff or nonsense just to add more pages – this I appreciate. There is violence. I only found one typo – great job! There were 9 f-words. There is some mild sex.
