Customer Reviews

Now in a completely updated and expanded fourth edition, Diane Rozario's The Immunization Resource Guide: Where To Find Answers To All Your Questions About Childhood Vaccinations continues to be a complete, single volume reference for parents concerned with providing their children with appropriate medical services. Included are reviews of more than ninety books covering virtually all aspects of childhood immunizations; detailed listings of more than 130 vaccine and health organizations, periodicals, and publishers; coverage of such issues as vaccines and the immune system; international travel; a history of vaccination; how to report vaccine injuries; the DPT vaccine; obtaining legal exemptions; new generation vaccines; and vaccine adverse reactions. The Immunization Resource Guide is superbly written, outstandingly presented, "parent friendly" compendium of information and resources, and a very highly recommended addition to any family, health clinic, medical center, or community library parenting and health/medicine reference

collection.
