Ice Cold: A Rizzoli & Isles Novel

Synopsis

This eBook includes the full text of the novel plus the following additional content:â Rizzoli & Isles, In Their Own Words: learn more about the lead characters in these special essays written by the authorâ An excerpt chapter from Tess Gerritsenâs Die AgainNEW YORK TIMES BESTSELLER A spur-of-the-moment ski trip becomes a bone-chilling nightmare when a wrong turn leaves Boston medical examiner Maura Isles maroonedâfar from home and helpâin the snowbound Wyoming mountains. Seeking shelter from the cold, she and her traveling companions stumble upon Kingdom Comeâa remote village of identical houses that seems to have become a ghost town overnight. But the abandoned hamlet has dark secrets to tell, and Mauraâs party may not be as alone as they think. Days later, word reaches homicide cop Jane Rizzoli that Mauraâs charred remains have been found at the scene of a car crash. But the shocking news leaves Jane with too many questions, and only one way to get answers. Determined to dig up the truth, she heads for the frozen desolation of Kingdom Come, where gruesome discoveries lie buried, and a ruthless enemy watches and waits. Praise for Ice Cold ÂThe kind of book youâd read in one sitting.â âChicago Sun-Times ÂAmazing . . . another winner.â âThe Plain Dealer ÂGerritsen paces Ice Cold with surgical precision.â âSalon

Customer Reviews

I'm a huge fan of Gerritsen's Rizzoli and Isles series, so I stayed up all night reading this book the moment it was delivered to me on my Kindle. For those who are unfamiliar with the series, I believe that a warning is in order: Gerritsen has a gritty, tough style of writing, which is pretty much unlike anybody else's I have read in the suspense/mystery genre. There are graphic descriptions of violence and surgical procedures in her books. If you are likely to be bothered by that, this might not be the series for you. If you don't have anything against this kind of writing, however, you are in for a real treat. Gerritsen is a unique author who manages to create great suspense with every new scene. She is extremely skilled at creating nuanced, complex characters whose lives the readers follow assiduously and passionately. The fans of the Rizzoli/Isles series will not be disappointed by this book. I liked all the books in the series but in my opinion this one is the most suspenseful. The tension starts building almost from the very beginning until a sense of dread becomes nearly overwhelming. Gerritsen is great at creating an eerie environment and keeping her readers deeply invested in the story. I can honestly say that there wasn't a single boring page in the entire book. "Ice Cold" offers us yet another fascinating journey into the lives of its unique main characters. We see Maura Isles in the grip of a personal crisis. It leads her to participate in an adventure that at first seems simply out of character but eventually turns out to be extremely dangerous. We follow Jane Rizzoli as she searches desperately for her missing friend.

In Tess Gerritsen's "Ice Cold," forty-two year old medical examiner Maura Isles is heartbroken. She is in a relationship with Daniel Brophy, a Catholic priest. However, their year-long affair has not brought either of them much happiness. Daniel is reluctant to give up his calling, and Maura is frustrated with his inability to make up his mind. After spending the night together, they part. Maura flies from Boston to Jackson Hole, Wyoming, to attend a medical conference. There, she meets a former classmate, pathologist Doug Comley, who is divorced and has a thirteen year-old-daughter, Grace. He asks Maura to accompany him and his friends on a trip to a cross-country ski lodge. She agrees, but soon regrets her decision. Doug loses his way in the snowy landscape, and they end up stranded. When Daniel and Boston homicide detective Jane Rizzoli do not hear from Maura and are unable to contact her, they fear that something is terrible has happened. "Ice Cold" is an

action-packed thrill ride with intriguing characters we care about. Maura is courageous but realistic; she knows that if she is not rescued soon, she will probably die in this frozen wilderness. Jane and her husband, Gabriel Dean, an ex-Marine and an FBI agent, are determined to find their friend, but they will face obstacles more formidable than the horrendous weather. Meanwhile, Daniel is wracked with guilt over the way he has treated the woman he loves, especially when he realizes that he may never see her again. This is a story about survival under extreme conditions, the limits of romantic love, and the dangers of bending one's will to a charismatic cult leader. Jeremiah Goode has created a sect with hundreds of followers who slavishly adhere to his decrees, some of which are rather repellant.
