Don't Know Jack - It's been a while since we first met Lee Child's Jack Reacher in Killing Floor. Fifteen years later, Reacher still lives off the grid, until trouble finds him, and then he does whatever it takes, much to the delight of readers and the dismay of villains. Now someone big is looking for him. Who? And why? Hunting Jack Reacher is a dangerous business, as FBI Special Agents Kim Otto and Carlos Gaspar are about to find out. By-the-book hunters who know when it's necessary to break the rules, but they Don't Know Jack. Is he friend or enemy? Only the secrets hidden in Margrave, Georgia will tell them.

Jack in a Box - After Margrave, Otto and Gaspar tried to take a weekend break, but Jack Reacher had out of the box plans. Where do Otto and Gaspar turn next?

Jack and Kill - FBI Agents Kim Otto and Carlos Gaspar get a lead on Jack Reacher. New Hope, Virginia, welcomed him yesterday. What trouble finds him there and who will end up dead?

Readers Love the Hunt for Jack Reacher Series and Diane Capri:

"I 'stumbled' on this title and was attracted to it as I am a Jack Reacher fan. Loved the story and the author's writing style. Couldn't wait for more so I purchased [Raw Justice] and want more Jennifer Lane - please?! Fatal Distraction is also on my Kindle to read list!"

"I have been a Reacher fan for years and was excited when I heard of Diane Capri's take on 'Finding Reacher'. 'Don't Know Jack' is a good companion to Child's Reacher books and recaptures the flavor of the Reacher mystique. I am waiting anxiously for the next book in the series and the next and the next, and so on."

All Child

fans should give it a try!"Lee Child gives this series and Diane Capri two thumbs up!â œFull of thrills and tension, but smart and human, too. Kim Otto is a great, great character. I love her.â • Lee Child, #1 Worldwide Bestselling author of Jack Reacher novels

Customer Reviews

These books had me up until dawn. I'll admit I was hesitant at first. I didn't want the creation of Jack Reacher deconstructed and made disappointing, but I hadn't counted on the skill of Diane Capri. In *You Don't Know Jack*, Reacher's mystique is intensified and his uniqueness tweaked. From page one, I was hooked on the story, the clean narrative style, and the team of Special Agents Kim Otto and Carlos Gaspar. What a unique combination of characters, fully fleshed out with wounds, internal and external, that propel them through the story with the promise of more to come, and misconceptions about Reacher that make the reader stop and think a moment. Nah, that's not Jack. But before we can give it a second thought, the story takes off into its deceptively complex plot, and all we can do is hold on for the ride. I love Reacher, but I also want more of Otto and Gaspar. The story opens when Kim Otto receives an enigmatic call from her boss, and she's off with the tension

building without mercy until the last page. Neither she nor her new partner, Gaspar, know each other or Reacher, but the tension builds as they take off around the country building a "Reacher file" for reasons they don't quite understand. Their exhaustion tumbles from the pages as they try to fill out the incomprehensibly slender file that exists on Reacher, living off coffee and adrenaline from their last encounter that has left them closer as a team, more suspicious of each other as individuals, and with even more questions about Reacher. And why such an important man in the has assigned them the task of finding him. It is in Margrave, Georgia that things get even more strange.
