Loose Ends (Mary O'Reilly Series Book 1)

Synopsis

Dying is what changed Mary O'Reilly's life. Well, actually, coming back from the dead and having the ability to communicate with ghosts is really what did it. Now, a private investigator in rural Freeport, Illinois, Mary's trying to learn how to incorporate her experience as a Chicago cop and new-found talent into a real job. Her challenge is to solve the mysteries, get real evidence (a ghost's word just doesn't hold up in court), and be sure the folks in town, especially the handsome new police chief, doesn't think she's nuts. Twenty-four years ago, a young woman drowned in the swimming pool of a newly elected State Senator. It was ruled an accident. But now, as the Senator prepares to move on to higher positions, the ghost of the woman is appearing to the Senator's wife. Mary is hired to discover the truth behind the death. She unearths a connection between the murder and the disappearance of five little girls whose cases, twenty-four years later, are still all unsolved. As she digs further she becomes the next target for serial killers' quest to tie up all his loose ends.

Customer Reviews

I don't know if you tend to have lower expectations when you spend .99 cents on a book, but this is no bargain story. I was absolutely hooked from beginning to end and the length is actually perfect

and portrayed everything I was looking for. There's all the elements for a great paranormal mystery romance thriller with a perfect cast of characters and wonderful humor that's easy to keep up with and perfect with its pace. Mary O'Reilly is an ex-cop who was shot in the line of duty and died. When she came back, she had a unique ability. She could see and speak to ghosts. Meshing her skills with her new talent, she becomes a private investigator for paranormal activities and lives a fairly reclusive life since the town thinks she's crazy. She has two wonderful friends, Rosie and Stanley, the town old gossipers, and a mystery hunk that she runs with but doesn't speak to at the park. When a senator and his wife start seeing the ghost of a young woman who died at their home 24 years earlier, Mary is called in to investigate. Mary quickly learns that not only was the young woman murdered, but it is somehow tied in with a case of missing girls from 24 years prior as well. None of the cases were ever solved, so as Mary questions the history of these events, she finds herself the target of a murderer trying to cover his tracks. When her life becomes endangered, she also discovers herself the unwilling ward of protection from the new Chief of Police, Bradley Alden, aka her mystery hunk. From there, Mary and a skeptical Bradley work together to catch a killer. The story line is fantastic and the dialogue is witty and fun. Although it's not hard to figure out who the murderer is, you really don't mind since the story keeps a great suspenseful pace.
