## COUNTING WOMEN'S BALLOTS

*Female Voters from Suffrage  
through the New Deal*

J. KEVIN CORDER  
CHRISTINA WOLBRECHT

## Synopsis

How did the first female voters cast their ballots? For almost 100 years, answers to this question have eluded scholars. *Counting Women's Ballots* employs new data and novel methods to provide insights into whether, how, and with what consequences women voted in the elections after suffrage. The analysis covers a larger and more diverse set of places, over a longer period of time, than has previously been possible. J. Kevin Corder and Christina Wolbrecht find that the extent to which women voted and which parties they supported varied considerably across time and place, challenging attempts to describe female voters in terms of simple generalizations. Many women adapted quickly to their new right; others did not. In some cases, women reinforced existing partisan advantages; in others, they contributed to dramatic political realignment. *Counting Women's Ballots* improves our understanding of the largest expansion of the American electorate during a transformative period of American history.

## Book Information

File Size: 3920 KB

Print Length: 320 pages

Page Numbers Source ISBN: 1107140250

Simultaneous Device Usage: Up to 4 simultaneous devices, per publisher limits

Publisher: Cambridge University Press (May 14, 2016)

Publication Date: July 12, 2016

Sold by:Â Digital Services LLC
