Witchcraft: A Beginners Guide To Witchcraft

Synopsis

Wicca is the religion of Witchcraft or Wisecraft. It is based on the spirituality of our ancestors â “ who worshipped the Goddess, God and the natural universe - in a form meaningful to women and men today. Wicca is a magical path which empowers us to grow, change and heal. It helps us live in harmony with the universe, others and ourselves. This comprehensive introduction contains all the information you need to gain an in-depth knowledge of Wicca, including: â ¢ Witchcraft ancient and modern â ¢ Celebrating Nature â ¢ Magic and spellcraft â ¢ Creating ritual

Customer Reviews

"Wicca is the religion of Witchcraft or Wisecraft," is how she starts the book. Sophie Cornish writes her version of that vision circa 1990 to present. If you want the ceremonial side of Wiccan practice, she shares candidly. She even spells Magic without a K. She gives an interesting history of the Craft. Then she gives the first of many gifts: The Meadow Visualization. And so her little book goes. If you want a practical, theoretical, spiritual recital of 21st century Wicca, behold, a beginner's guide.

Firstly, this entire book seems to have been written by someone that was ill-informed of a few things with Wicca and Witchcraft. They're are not one and the same. Secondly, all of the pages aren't marked so following the table of contents is somewhat useless. A lot of the pertinent information in practicing witchcraft in this book has some of the basics down, but the authorship and editing involved in this book is less than stellar and would not recommend for beginners or anyone new to the Craft.

I've been studying witchcraft for 4 months, and this is a great book for beginners! I totally recommend it!

Everything you need to know for the beginning witch to know and excitement with, I enjoyed reading this book it has taught me a few things I did not know

Bought this for my wife who is just beginning to study and she loves it! Very nice book, nice quality!

Extremely interesting

The picture made me think it was leather bound. It has typo errors but is the best Wicca beginner book I have read so far. I want the leather bound one the picture shows

The picture is misleading. I was expecting a leather book but it's only a smooth plasticity over with a white lining around the leather image shown. I have only gotten about twenty pages in but there are evident spelling mistakes. It makes the book seem unprofessional. The information seems to be helpful although I am a new learner of witchcraft so I just hope the information is valid since the presentation of the book has made me question that. I will continue reading and learning from this book but overall a little let down.
