Ralph H. Blum's Little Book Of Runic Wisdom

Synopsis

Since its first publication nearly 20 years ago, Ralph Blum's *The Book of Runes* has brought inspiration and comfort to millions of people around the world. Every culture for the whole of recorded history has possessed some form of oracular tradition, and the primary function of Runes's stones and cards alike's is to help us get our bearings in life. An ancient Western alphabet last used in Iceland during the late Middle Ages, the Runes may have originated as long ago as the Bronze Age. Ralph has found the Runes to be a strong teacher and wise companion, and he now offers thoughts that have illuminated his path in the hope that they will illuminate yours too. Ralph H. Blum's *Little Book of Runic Wisdom* is a pocket-sized book of days which can be consulted daily or dipped into randomly to provide wisdom and guidance whenever it is needed. A large part of the book is made up of quotations taken from the author's own bestselling books on the Runes. There are also previously unpublished extracts from the author's working notes for his many Rune-related titles. This book is completed with a selection of quotes, poetry, jokes, and proverbs from many personal contacts and other diverse sources to bring inspiration and humor to every day.

Book Information

Paperback: 384 pages

Publisher: Connections Book Publishing; First Edition, 2nd printing edition (March 2004)

Language: English

ISBN-10: 185906065X

ISBN-13: 978-1859060650

Product Dimensions: 4.3 x 4.4 x 1.1 inches

Shipping Weight: 8.5 ounces

Average Customer Review: 3.5 out of 5 stars Â Â See all reviews Â (4 customer reviews)

Best Sellers Rank: #1,753,969 in Books (See Top 100 in Books) #147 in Â Books > Religion & Spirituality > New Age & Spirituality > Divination > Runes #2335 in Â Books > Religion & Spirituality > Occult & Paranormal > Unexplained Mysteries #3841 in Â Books > Self-Help > Stress Management

Customer Reviews

Below the review is an actual response from Ralph Blum himself regarding the concerns I had. His curt and strictly anti-academic response was enough to cause a concern on my part that his book was relying on the name of the ancient Runes to entice people, falsely, to buy his book thinking they

were going to be getting something they would not. HOWEVER, NOTE THAT EVEN WITH THE BELOW TAKEN INTO CONSIDERATION, A GOOD 75% OF BLUM'S BOOK IS RUNIC IN NATURE AND WORTHY OF A READ!! Blum's book is an enjoyable read and does have some valuable daily meditations based upon the original Runic wisdom. Unfortunately, it is also rife with completely inappropriate Christian dogma. If this was implied in any way in the title or description, this fact would be acceptable, but for those looking to escape the ever-present, proselytistic attempts of some members of this belief system, it is an annoyance. More importantly, it is misleading as the average purchaser of this book might be expecting it to be full of wisdom based upon the ancient peoples that created, studied, and believed in the Runes and not have the text focus, at least in part, on the very belief system that crushed them in the 10th-13th centuries (later if you consider Iceland and Greenland). After all, it was Christendom itself that destroyed the ancient Norse belief system, often under the threat of death or banishment. Please know this review is NOT coming from an anti-Christian person, just one that wanted to study as the ancients might have. Blum believes that simply because he styles his little book, "Ralph Blum's..." he can spread Christian dogma and pass it off to the unsuspecting as Runic. Blum should keep in mind that his book's title also uses the words, "...RUNIC WISDOM.
