Customer Reviews

My summary says it all. Halls of the Arcanum stands as one of my all time favorite human books. They are so unique and it is written so well it is unbelievable, how it went out of print is beyond me. The compilation is worth it just for that. Acolyte is dry and not too good but hey its got hedge magic rules, which are fun for everybody, even Bastet. Well thats it i would give Arcanum 5+ stars and i can't tell you how good it is, just read it. Acolyte while not too great is not useless and is kinda worth the extra dough. Have fun.
