Dr. Sapir's book is a journey through the rich heritage of Bombay focusing on the Jewish history of the Baghdadi community. Fascinating! I have the book on my coffee table and it is a treat to pick up and flip through for everyone. Wonderful visuals with an abundance of pictures and maps! Next best

thing to a trip to Bombay.

Very well resourced & presented. Interesting to see how the city of Bombay developed. Living in Bombay for 20 years there were a lot of things my husband did not know & this brought to light how the city came together. My husband lived a couple of doors away from the author & remembers him very well. He used to play with him & his cousins on the streets as young boys would. I compliment him on the work. Also the Philanthropy and benevolence of the Sassoons towards the Jewish community and the city of Bombay. Sheila & Abe Benjamin.

This author has done an AMAZING job. The book has really good information, sources and pictures. I would recommend this book to any history lover, Jewish Indians or anyone who'd like to learn about Bombay!!! Well done!
