Customer Reviews

If you're going to play Warhammer Fantasy with the Skaven armies, this is an absolute necessity. Great army to field if you like playing the bad guys!

Interesting background and rules for Skaven. It's fun to go back and see how they were before the change into Age of Sigmar.

No leadership in this box, but great base for a Skaven army builder. You need so many rats to field a sizable army and this comes in handy to build up those ranks quickly.
